

CASE STUDY

Jenny Condron, Principal - British International School and Montessori Education, Sierra Leone

AT A GLANCE

PREVIOUS CHALLENGES

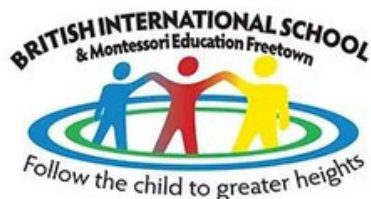

- Evaluating the school
- Capturing evidence Strategic
- focus Saving time

CURRENT BENEFITS

- Single central solution
- Easy access for all
- Robust evidence storage
- Simple to use

OVERVIEW

The British International School and Montessori Education caters for a diverse community of pupils spanning six continents with teaching staff sourced both locally and internationally to create a harmony of culturally blended experience and a learning environment that fosters global citizenship.

"Teachers and the Senior Leadership Team have been able to easily add evidence of standards and professional development, ensuring it links to areas of school development"

JENNY CONDRON

British International School and Montessori Education, Sierra Leone

IMPACT

Jenny stated "Teachers are able to identify areas that they need to develop thereby giving them confidence which helps to improve their wellbeing."
