

CASE STUDY

Ismail Lawal, IT Manager
Day Waterman College

AT A GLANCE

PREVIOUS CHALLENGES

- Recording everything on paper
- Streamlining performance reviews
- Finding an environmentally friendly product to reduce waste

CURRENT BENEFITS

- Highly customisable
- Very positive feedback from staff
- Great integration with existing systems

“...We were using a paper based system that was very clunky. A digital solution has been transformative....”

ISMAIL LAWAL

IT Manager
Day Waterman College

OVERVIEW

IMPACT

Does SchooliP Reduce Teacher Workload? – “SchooliP allows teachers organise their evidences online saving tons of paperwork which would have been additional burden to teachers workload”

Does SchooliP provide your school with data? – “A quick look at SchooliP helps the school to know staff members that have not completed mandatory trainings.”

Does SchooliP improve your school's processes? – “The process of Performance Management has been greatly enhanced and made transparent. Everybody plays their part in the process.”
